FACTORY EXTENSION FEATURE OF BUILDING OPERATIONS PLANNED

ACME SHEAR COMPANY AND WEIDLICH BROTHERS TO HAVE NEW HOMES

Real Estate Market is Quiet—Amount Put to Mortgage Increases, Largely Through Loan of \$32,000 on Studio Building—Many Homes in Planning, or Erection.

The record for the week shows the same slack movement of real estate and the same lagging in building operations that has marked the present season from its beginning. There were 18 sales of real estate, as against 21 in the same week of 1908. The amount of money loaned on mortgage increased from \$40,500 to \$96,628. A large portion of this difference was represented by a mortgage given by R. M. Judson to the Bridgeport Savings Bank, amount \$32,000. This property is the Studio building in Fairfield avenue, near the Telephone Exchange.

Among the large building operations planned, or under way, is the new factory building for the Acme Shear Company, 125x135 feet, and the new factory for Weidlisch Bros., 50x500 feet, two stories high.

Work has been started on the proposed changes to the Atlantic Hotel, from plans drawn by Architect Joseph W. Northrop. Patrick Garvey, 538 Grand street, is doing the masonry work. The interior arrangement of the ground floor will be changed, a new entrance built, and new plumbing and electric wiring installed throughout the building.

Plans are being drawn for a new factory on Hicks street for the Acme Shear Co. The new building will be a brick structure, 125x135 feet, two stories high, with a gravel roof.

A three-story store and tenement house is to go up on Spruce street for Frank Duckay. The building will be 41x45 feet, of wood.

A one-family house on Glendale avenue is being built for E. E. Sherman. A three-family house on Gregory street is going up for M. A. McFarland. The house, which will be built of wood, will be 24x40.

N. Lanese is building a three-family

house on Calhoun avenue. The plans call for a frame house 35x55 feet, arranged for tenements of five rooms.

Bids have been received for the store and apartment building on North Main street for John L. Schlichter. New estimates will probably be made, or the owner may decide to erect several smaller buildings on the site.

The Weidlisch Bros. Mfg. Co. has purchased four acres of land in the East End as a site for a new factory building to be erected during the summer. As yet all the details have not been decided upon, but the structure will probably be two stories high, or brick, about 50x500 feet, with a gravel roof.

Building permits with an aggregate value of \$33,500 were issued during the past week as follows:

M. M. Downer, frame auto barn, 387 Clinton avenue.

Mary A. Fat, remodel store room, Pembroke street, corner Ogden.

Susan E. Reynolds, two family frame building, south side Fairfield avenue.

Annie Gadush, three family frame dwelling, north side Putnam street.

Jacob Bitter, one family frame dwelling, west side Fourth street.

Miss F. A. and F. B. Meeker's alterations to frame dwelling, north side of John street.

J. H. Zimmerman two two-family frame dwellings, north side Beardsley street.

A. McNeil, frame veranda, north side Fairfield avenue.

McKenna brothers, to raise the roof of refrigerator on market, south side Bank street.

Miss Elizabeth Southey, frame barn, north side French street.

J. C. Chamberlain, frame veranda at dwelling house, east side West avenue.

Dieschazy, for family frame building with two stores, south side of Spruce St.

W. R. Clark, brick addition to photo studio, north side Fairfield avenue.

Thomas Arnold, one-story brick steel frame building.

EARLE'S AFFINITY SEEKS DIVORCE

Woman Who Wed Artist as
Soul Mate Now Calls
Him Lunatic.

More Trouble for the Man
Who Abandoned Wife to
Wed Another—Mrs. Earle
Says Marriage Is Not Legal.

(Special from United Press.)

Before marriage: Ferdinand Pinney Earle—"I have found my twin soul. Julia Kuttner is my affinity for life. I love Julia with an undying affection. Nothing can ever separate us."

Julia Kuttner—"We understand each other. He is a right man for me; I am the right woman for him. I decided I could not live happily without Ferdinand. His wife agrees with me. She has given him to me. The revelation of our love came to us with sweeping certainty. It was a sacred moment."

One year later: From Mrs. Earle's divorce complaint: "That at the time of said marriage defendant was a lunatic and incapable of contracting marriage; that defendant has remained and is still a lunatic."

What Earle says now: "I am not a lunatic. His false!" Ferdinand Pinney Earle, who something more than a year ago discovered a "soul mate" in Miss Julia Kuttner and interested the entire country and shocked a part of it by casting off his wife and marrying her, is to-day in conference with his lawyers to decide whether to resist his "soul mate's" action for divorce.

The prospect is that Earle will fight the action for the woman who only a year ago declared that she could not live happily without him, now charges that he is a lunatic and that at the time of his marriage to her he was legally bound to his former wife. Earle no longer contends for the "soul mate." "Affinity," and "Twin soul." He is willing to admit that he "got in bad" on a lot of his former notions but that he is a lunatic or ever was one—Never! Mrs. Earle and her baby of a few months are believed to be in New York with her mother. Earle is still at his "Castle" at Monroe surrounded by his dogs which were employed to keep off curious sight-seers. The Earles were married in Venice, Italy, March 17, 1908, the date not being disclosed until the divorce suit was filed.

The alarm clock of discord soon sounded on their dream of marital bliss. Last August Earle was thrown into jail on his wife's charge that he had brutally beaten her three weeks after she had borne him a child. Earle used his soul mate hypnotism again and the wife dropped the charges and he was released.

PURELY PERSONAL

"Indeed I would not favor all municipal offices being made life positions."—Mayor Lee.

"The Anti-Tuberculosis Association is the grandest of all organizations, and the good women who make it up so earnestly are deserving of great praise."—George W. Jackman.

"Well, Billy, I am glad to see you able to get down among us again."—George T. McCarthy.

"I am feeling fine, and will get back to the office again in a short time."—W. H. Hart.

"I am losing weight over the fear that they will make me assistant city clerk for life."—Larry Gill.

"Tommy Arnold will be kept busy explaining how the trick was turned."—T. H. Bowen.

"The hats are exquisite this season at prices to fit every purse, and the ladies express much delight at the display."—E. H. Dillon.

"Next to hats, comes the men's clothes, and I could place another cutter with much advantage to my Easter orders."—Max Stein.

"Come out to the West End to live. No place like it, and it is only ten minutes from Main street."—George W. Finn.

"The South End will do me just now, and we have no burglars here either."—J. T. Toomey.

"It is a matter of much unfavorable comment that the Traction Company do not so earnestly pay attention to the transfer from the Fairfield car to a South Park avenue car at Park and Fairfield avenues. At present, one must walk the block from Fairfield avenue to State street in order to get to a South Park car. You cannot transfer at the junction of State and Fairfield, and without paying an extra fare, and it requires too much time to ride in to Main street to get a South Park car. It would seem an easy matter to have the South Park cars run out Fairfield avenue, and then to the park, or the Brooklawn might be made to do the service. On stormy days, like yesterday, it is a matter to be obliged to walk even one block, and the necessity for so doing, should be removed."

The Elks are preparing for a ladies night, shortly after Easter. The entertainment will take the form of a minstrel show, and as they have excellent talent among the members a thoroughly good performance may be counted upon.

The dance committee of the Lady Antlers will meet with Mrs. J. H. Cook, at her home, Washington Court, next Monday evening at 8 o'clock, for the purpose of perfecting details for their intended reception. They have secured Quilty's hall for the evening of April 2d, and anticipate a merry time.

LEW.

Weather Indications.

(Special from United Press.)
New Haven, March 27—Forecast: Partly cloudy and possibly light showers late to-night or Sunday.

A disturbance central this morning over Lake Superior is producing cloudy weather with light rain or snow in the Lake region. Pleasant weather prevails generally in other sections east of the Rocky Mountains. The Lake disturbance will pass west of the Lawrence valley late to-night and Sunday.

ATTELL STILL HAS HIS PUNCH

Dayton, O., March 27.—Abe Attell, the featherweight champion, has not lost his punch. He put the sleep producer on Frankie White, of Chicago, in the eighth round of their scheduled twenty round bout last night. White gave a game exhibition but he did not class with Attell.

POINTS OF INTEREST.

SPORTS OF A DAY

FIGHTER KNOCKS OUT THE BOXER

'Philadelphia Jack' O'Brien
Knocked Out in the Tenth
Round of Fight With Ketchell.

(Special from United Press.)

New York, March 27.—Staley Ketchell made his debut into New York's fighting society last night and to-day the mantle of victory rests on his shoulders. The middleweight champion knocked out "Philadelphia Jack" O'Brien in the tenth round of their fight last night. It was one of the best and most vicious fights ever seen in this vicinity.

It was the master boxer against a fighter—and the fighter won. To-day Ketchell is hailed as the greatest living fighter of the age and his friends say he is as good as Jim Jeffries was in his palmy days.

TONIGHT WILL TELL THE STORY IN POLO LEAGUE

New Bedford by losing to Fall River last night 3-2 was knocked out of all chances of winning the National league pennant. The season closes this evening with Brockton in Providence, Fall River in Pawtucket and Worcester in New Bedford. Both Providence and Fall River have a chance for the flag as to-night's games will decide. Should Providence win, first place is hers, but if she loses and Fall River wins, first honors go to the Spindlers. Providence has the advantage as she is playing at home. Local interest is divided between the two teams as Ted Lewis is rushing for Providence, while Jack Carrigan and Candy Harper are playing with the "Soldiers." The standing to date is as follows:

	Won.	Lost.	P.C.
Providence	50	45	525
Fall River	51	47	520
New Bedford	50	48	510
Worcester	46	48	485
Pawtucket	46	49	484
Brockton	43	51	457

RESULTS LAST NIGHT.

Providence, 5; Brockton, 4.

Fall River, 8; New Bedford, 3.

CONN BEATS HOGG

IN Y. M. C. A. TOURNAMENT

The pool tournament is progressing with interest. Conn was able to beat Tommy Downey, the former Bridgeport porter. "Tom Downey is showing up better and better every day. He has a splendid pair of hands, and is a great man on ground balls. He gets the ball away quickly and his throwing is very accurate. He acts like a man who is going to be a help at the bat, too. When he gets to working just right with Huggins the two will make a fast pair around second base."

George Bone, manager of the New Haven team returned to that city yesterday from Fall River where he played the night before with the Worcester polo team. Bone will go to Pawtucket next week where he is to play with the team of that city in the exhibition

BASEBALL NOTES.

Manager O'Rourke has signed Walter A. Brooks of Hinsdale, N. H., to play the outfield. Brooks has had considerable experience with semi-professional teams, and has a strong backing of friends who are sure he will make good in the Nutmeg circuit. Bee dash being a fast outfielder Brooks is clever behind the bat. His batting is also one of his most valuable assets.

Two well known sporting men were discussing baseball yesterday in a local drug store when one of them remarked, "I hear that O'Rourke is going to sign Paddy Lynch, who drives the patrol wagon." "What does he want to sign him for?" asked the second man, who was more because the first man was knocking the team. "Well I heard he drove in three runs yesterday."—P. S.—(Joke.)

The Giants Regulars proved too strong yesterday defeating them 10-3. The score might have been greater only that "Red" Walker relieved Marquard allowing the Regulars only one hit in five innings.

Jimmy Callahan, the noted outlaw of Chicago, manager of the famed Logan Squares, and who has refused to play with the Chicago Americans for several years, was yesterday reinstated by the National Commission. He was fined \$100 for refusing to re-join the league. He is a forerunner of the clearing up of the outlaw situation in Chicago.

The coach of the Trinity college baseball squad has developed a novel scheme, that league manager might well adopt in order to try out their recruits. In order not to hurt any of the players' feelings, the coach divided the squads according to the hue of their hair. The teams are known as the "Brunettes" and the "Blonds."

Manager Mike Doherty of Waterbury has signed another big husky by the name of Catchpole, who has been playing outland ball in the California league. Catchpole is so sure of making good that he has written Mild Mike that he will come to the Brass City at his own expense. Put another name down that will prove cream for the fans.

With a record of fifteen victories out of seventeen games Chester Dobens of Nashua, N. H., evidently has a basis for his belief that he can make good in the Connecticut league. Dobens pitched for the Nashua team last season and also had previous experience in the Hudson River league.

Jack Ryder, baseball expert for the Cincinnati Enquirer has this to say of Tommy Downey, the former Bridgeport porter: "Tom Downey is showing up better and better every day. He has a splendid pair of hands, and is a great man on ground balls. He gets the ball away quickly and his throwing is very accurate. He acts like a man who is going to be a help at the bat, too. When he gets to working just right with Huggins the two will make a fast pair around second base."

George Bone, manager of the New Haven team returned to that city yesterday from Fall River where he played the night before with the Worcester polo team. Bone will go to Pawtucket next week where he is to play with the team of that city in the exhibition

series between Pawtucket, New Bedford, Fall River and Providence.

"Pop" Foster with his wife and child will leave this city on Monday for Reading, Pa., where he is to manage the Tri-State league team of that town. Foster has a large number of promising youths to try out, with every prospect of a winning team. He is very enthusiastic over the chances of his team. It is reported that he will take along a few local amateurs.

Coveleskie, a brother of the famous Slav who put the championship aspirations of the New York Giants last year, will be tried out at third base with the Lancaster Tri-State league team. At O'Dell of this city has been the regular man at that station, but will encounter opposition this season.

The Reading team of the Atlantic Outlaw league has signed Jimmy Bert-whistle, who formerly played with the Orators.

Who is who in Bridgeport?

BASKETBALL

The Amazons would like to arrange a game with the boys team of Union Business College for Friday night. Answer in Evening Farmer.

Charcoal Lozenges

A Natural Breath

Perfume

Charcoal Assists In Gaining

and Retaining a Sweet

Breath

Breath perfumes should never be resorted to. They seldom conceal the odor and never remove the cause, and are very suggestive.

Stuart's Charcoal Lozenges sweetens the breath by removing the cause—a disordered condition of the stomach, and by this means imparts to the breath the natural, healthful odor void of all unnatural or suggestive condition. First, it purifies the breath by restoring to it the natural odor nature intended it to have. Second, charcoal is an absorbent, absorbing 100 per cent. per volume of gas, by this means relieving flatulence and gases of the stomach and bowels. Third, charcoal aids digestion and by this means regulates the action of the bowels, relieving flux, diarrhoea, piles, constipation, etc. Fourth, charcoal oxidizes the blood, thus preventing pimples and other eruptions that arise from indigestion and impurities of the blood.

Stuart's Charcoal Lozenges, a household necessity and should be in every home, containing only young willow wood charcoal and honey. They are perfectly harmless and any quantity may be taken without ill effects. Old and young alike can take Stuart's Charcoal Lozenges with the same beneficial results.

The next time that you have sour stomach, indigestion, bad breath, heart burn, gastritis, bad taste in the mouth, belching or belching up of food, just step in the nearest drug store and get a box of Stuart's Charcoal Lozenges and try them; the results will be gratifying and almost instantaneous, the stomach will soon feel better and the disagreeable odor disappear in a very short time.

If you prize a sweet breath and healthy stomach, you should occasionally use Stuart's Charcoal Lozenges. A lozenge now and then will suffice to sweeten the breath and keep the stomach in a healthy condition; try them; for sale everywhere, or a sample will be mailed free upon request. Address the F. A. Stuart Co., 300 Stuart Bldg., Marshall, Mich.
